**March 2018 News**

Our meeting on March 15<sup>th</sup> will be of special interest to those who have read the Diaries of Caroline Lybbe Powys, who lived at Hardwick at the end of the eighteenth century and kept a fascinating diary for over fifty years. Margaret Simon, an experienced local history tutor, will speak about Reading in Georgian and Regency times, giving a picture of the local town that Caroline knew, and where she went to the races.

On April 19<sup>th</sup> we hear from Janet Hurst of Goring and Streatley's Hall of Fame – all the illustrious erstwhile residents of the two villages.

Both meetings are at Whitchurch Village Hall at 8pm, and everyone is welcome. Non-members pay £3, to include coffee and biscuits.
