

Sing for Syria

Help Syrians rebuild Syria

We have all watched with horror as the fighting in Syria continued and many people lost their homes, their loved ones, and their lives. But now Isis has been driven out of some of the bombed and deserted villages and people are returning to try to rebuild their homes and their lives. No one wants to become a permanent refugee if they have a chance to go home and pick up their lives in their own country.

We have a chance to help them. Every £26 raised could provide a monthly emergency relief pack for a family in Syria. This could include food, clothing, medicines, shelter and heating during the freezing winter. Every £238 could provide training to help one person open a small business in Syria.

Please come and **'Sing for Syria'** on **Wednesday December 19th in St John's Church, Whitchurch Hill, at 7pm**. We will sing traditional carols and hear good news of hope and new beginnings from Syria.

Then give what you can so there will be more good news and hope in the villages of Syria this Christmas.
