

Denise Huxtable recently resigned as a parish councillor. The chairman of the parish council today issued this statement:

I'd like to thank Denise Huxtable for her year and a half of work as a Parish Councillor. As a long time resident of the village, Denise added a very thoughtful and insightful voice to Parish Council discussions. She contributed to many areas including relations with the allotments, planning application reviews, and traffic and parking issues. Never one to be outspoken, she was still passionate in her views which were always constructive. We thank her for the contributions she has made to our village.

*Councillor Jim Donahue
Chairman, Whitchurch-on-Thames Parish Council
6 July 2018*
