

# Village Fete 2017

On **Saturday 2nd September** the annual Whitchurch Village Fete will take place on the village green **from 2 to 5 pm**. There is loads of fun and activities on offer for all ages!

**This year we have dedicated the Muddy Lane side of the field to our 'Fun Zone'** where you will find a giant inflatable slide, bouncy castle, inflatable giant maze, climbing wall, boat swing and tea cup rides, Hartbeeps (a magical sensory experience for pre school age children) and a brilliant array of stalls selling things that the kids will love. We are also really excited about the brand new addition of our Pop and Rock Makeover Tent - here children (of all ages - even the most 'grown-up' of us!) can go and have a glitter tattoo or funky rock style face painting, get dressed up in cool and whacky accessories and then have some fun in our photobooth, where the brilliant Scarlet Page will be taking photographs. Once your photoshoot is complete there is a disco tent where you can rock out to some tunes!

And topping this off we will have pony rides all afternoon across the top end of the field.

**Meanwhile, on the other side of the field The Art Café has sprung legs and is coming to the fete!** We will be offering a delicious array of home baked cakes and cream teas, delicious tea and 'proper' coffee in comfort. There will be a craft activity - creating pom poms - and the Beenham Wind Orchestra will be playing throughout the afternoon.

Pimms, Prosecco and Strawberries and Cream will also be on offer, as well as a barbecue. Tutt's Clump cider and Horsebox waffles will be there selling their delicious food and drink. Further up the field you will find a brilliant range of stalls from gorgeous jewellery, to interiors, to hand-made gifts, to well known health and beauty brands and many more. Our local community organisations will also be in attendance so you can catch up on important village matters. The RSPB is bringing a display - one for nature enthusiasts not to miss!

We will be holding our first Hobby Horse Gymkhana too, and the fete will close with the annual tug of war and Grand Prize Draw.

It is shaping up to be a really fun filled day! All proceeds go to Whitchurch Pre School, who will also be there offering craft fun activities for pre schoolers.

**Gates open at 2pm. We hope to see you there!**
