

## **GRASS CUTTING**

**In the past, there has been some confusion about when grass is being cut on the village green and in other areas of the village. To help avoid this in the future, the village maintenance schedule for 2018 has been published on the village website. If you go to the Parish Council page, look for 'Other Documents' then 'The Village Maintenance Schedule for 2018 is here', you can follow the link.**

**If you have any comments, please report them to the Clerk ([parishclerk.whitchurchonthames@gmail.com](mailto:parishclerk.whitchurchonthames@gmail.com)) so we can discuss them at the next Parish Council meeting.**
