

## Village Response to Coronavirus

In last week's Parish Council meeting, the Coronavirus pandemic was discussed and it was agreed that volunteers listed in the recently agreed Community Emergency Plan would arrange help with shopping for people who are self-isolating.

If you want any medical advice, you can visit <https://www.nhs.uk/conditions/coronavirus-covid-19/>

The Community Emergency Plan includes setting up a telephone tree with someone on each road coordinating support for vulnerable people. The volunteers on the telephone tree will now help with our response by coordinating getting shopping for people who are self-isolating and keeping a check on people who are vulnerable, if they wish it.

### What can I do?

Please keep in touch with your neighbours, particularly those living alone.

If you need help with shopping or know someone who does, please contact the appropriate person in the list. They are coordinating support and will try to find someone to help.

If you'd like to volunteer to get people shopping or call people who'd like someone to keep in touch with them while they are self-isolating, please contact John Bradon or one of the other people on the list.

We don't know what the demand will be yet and will refine these plans as things develop.

John Bradon
