The White Lady - The story of British Intelligence Networks Behind German Lines

Speaker: Helen Fry

Date: Wednesday 9th December 2026 7:30pm

Helen will speak about the two most important British Secret Service intelligence (MI6) networks behind the enemy lines in WWI and WWII. At the heart of MI6's operations were the White Lady ('La Dame Blanche') and Clarence Service which operated in German-occupied Belgium. This is a compelling account of the agents who risked their lives and found ingenious ways to smuggle intelligence out of occupied Belgium.
