

# Spring Maintenance Session at the Polish Memorial Garden

Tuesday 7<sup>th</sup> May from 10am

We are holding a morning session at the Garden to prepare it for the end-of-project Celebration planned for Friday 17<sup>th</sup> May at 6pm.

The main tasks will be to :-

- plant a flowering cherry tree donated by SOHA
- install tree guards to protect the community orchard apple trees
- install bat boxes
- remove a young sycamore tree which has self-seeded
- put netting guards around the small hornbeams at the back of the platform
- trim back brambles along the south boundary fences
- trim, feed, mulch and water the hebes in the planters
- weed the gravel on the platform
- tidy up the pathways through the spinney

Please join us and help make this special public space look cared-for and beautiful. Bring along any suitable tools if you can; refreshments will be provided.
