

## Whitchurch triumphs over the Hill in charity match

The Villies (Whitchurch) beat the Hillies (Whitchurch Hill) 6-2 in the annual charity football match played on the Upper Basildon village pitch on Friday 11th Sept.

Goals from Will Moffatt, Brian Mace, Nick Leadbetter-Hart and a hat-trick from Warren Beard cancelled two goals from Lee Chaffey in a match that was a memorial to the loss of Hillies player Jorian Bryant, who died of a heart attack at a recent Hillies Friday training session.

The two teams played for the Martin Park trophy in memory of the Villies player who lost his battle with cancer in 2019. Team captain and AFC Whitchurch chairman Alex Hilton received the trophy on behalf of the Villies that will now reside at the Greyhound Pub until the next game in June 2021.

The event raised £260 for the British Heart Foundation.
