

Thankyou.

As you may know at the start of August we went through a challenging time with the council and our street food vendors.

Since then, we have been working with the licensing departments and have now got applications in for many of our traders. Part of this was a public consultation, which has resulted in a few objections. This means we must now go to a public hearing in early December. So, we are asking our wonderful customers who have supported us through this time, and anyone else who loves our street food events, to assist us at the hearing by writing or emailing your support to us at info@oaktaverns.co.uk. We believe this will give us the best possible chance of getting the licences agreed.

Many Thanks again for your continued support.

From all at Oak Taverns
