

Poppy Day collection – well done everyone!

Diana Marriott, Poppy Collection organiser, reports:

Despite the difficulties this year, we have done amazingly well.

Clare Maslen and her crocheted poppies raised £365!!!

We had a donation of £100 and then Pete Williamson's company (SecureCloud+) doubled that total!!

Making it £930.

The Ferryboat raised £63.00, the Greyhound raised £55; my own box added £ 47.00.

*Making a grand total of **£1095** for the British Legion.*

And others in Whitchurch will have sent donations directly to the charity.

So, it's a big thank you to everyone!
