

Thinking of volunteering?

It is good for you!

We wanted to let you know about the brilliant volunteering opportunities we have at **1st Goring Heath Scout Group** based in Crays Pond. And every one of them is good for you.

Quite a few of our current children are from Whitchurch Primary School.

We rely on people like you playing their part to give young people opportunities to dream big, give it a go, and build skills for life.

You don't need to be Bear Grylls to volunteer. We're looking for people to help in all sorts of ways in our meeting place and behind the scenes.

Whether you want to support young people or if you're more comfortable planning an adventure from the sidelines, we've got a role for you.

Scouts happen when a lot of us give a little. You're not signing up for a lifelong commitment – just to help out, when and where you can.

Want to make a difference, but don't want to work directly with young people? There are loads of opportunities to make an impact behind the scenes. We'll help you find something that matches your skills (and the time you have available).

Volunteering's a two-way street. Research shows that it improves your well-being and helps you build career-boosting skills. Let us know you're interested, and we'll give you any support and training you need to let your skills shine.
