

Whitchurch Hill Village Fete – a message from the organiser

I am the organiser of the Whitchurch Hill Village Fete, and I am delighted to tell you that the fete will be held again this year on **Saturday 25th May 2024** at the Whitchurch Hill village green between 2 and 5pm.

The format will be very similar to previous years with stalls selling a wide variety of goods, amusements and races for children, tea tent, beer tent, brass band, a BBQ and, of course, the egg throwing competition as the grand finale. The financial surplus from the fete will be distributed to charities and causes which have a local presence.

In addition, **I'm interested in attracting new stallholders who want sell gifts, foodstuffs etc.** The arrangement is very simple with no standing charge for a stall: Stallholders are allocated a pitch on the southern or northern side of the village green; they provide their own equipment, e.g. table, gazebo; they make a modest contribution of their takings to the fete of say 10%.

Anybody who's interested can contact me at any time (7 days a week between 8am and 10pm) at peter.burdon@hotmail.co.uk or 07592 528 592.

Many thanks

Peter Burdon
